CHRIST KING PARISHIONER TO DO LIST - JANUARY

How did 2017 go? Were you able to check off a few things each month? Maybe one of your goals for 2018 is to be more engaged with Christ King – please do! Wherever you landed use this checklist, designed for every parishioner of Christ King Parish to grow closer to God and deeper in our faith! Happy 2018!

- Small Groups** Jesus invited his first small group of ordinary people to “follow Me.” His small group became his Apostles. With the start of this new year, we invite you to follow Jesus by learning and growing together in faith in a Small Discipleship Group. They are already enhancing the faith lives of those who participate. Read some of the past testimonials in our December bulletins that highlight small group experiences. Come to our Small Group Fellowship Sunday after Masses on January 7 and learn more!
- Become a Member** Have you been coming to Mass or several events here and like what you see and hear? Now is the time to establish your faith roots. Maybe you just moved to the neighborhood or graduated from college – whatever brought you here – stay! Stop by the Parish Office to get a registration form and our Welcome folder. We'd love to call you a Christ King Parishioner! Make it official!
- 40 Hours of Devotion** This is one of the most intentional times of prayer for our parish. Please join us anytime from January 12-14 in church. Make time over this weekend to spend an hour, or several, with Jesus. Adoration is a powerful time for you to quiet your soul and connect through prayer. Watch for details about the weekend.
- Discover Christ King School** Come check it out! Do you have a little person who will be school age soon or an older child you know would benefit from a faith based education? Christ King School is the right choice. January 15 is a shadow day for school-aged kids to experience Christ King. January 16 is our Kindergarten Open House and Info Night. Hear and experience our K3 – K5 programs. January 25 is our All School Open House and Ice Cream Social. Lastly, the 27 & 28 is the kick-off to Catholic Schools week with several activities planned. So many wonderful things at Christ King School – Discover it for yourself!
- First Reconciliation** On January 22, pray for all the children who will be making their First Reconciliation. It is a special time for them and their families. They could use your prayers during this sacramental year.
- Rough Holidays?** Mass can help! Attend one of our daily or weekend Masses. You don't need to RSVP or save a spot. You don't need to really bring anything but your openness to God and his love for you! The church is open during the week from 7:30am – 8:00pm where you can have a one on one with God! He's always there for you!
