please join us for the Anointing of the Sick.

We welcome all parishioners, family, and friends to attend this beautiful celebration of healing and strengthening. Special prayers for caregivers and medical personnel will be included.

At any given time, there are 6,000 children placed in out of home care in the state of Wisconsin, with a third of these children coming from Milwaukee County alone. As many as 100 children are removed from their homes every month due to unsafe conditions. These children are in need of loving and safe families to care for them.

Catholic Relief Services PARISH AMBASSADORS INITIATIVE

If you are passionate about global justice and feel the call to be in solidarity with the world's poor, becoming a Christ King CRS Parish Ambassador might just be what you are looking for!

Catholic Relief Services carries out the commitment of the Bishops of the United States to assist the poor and vulnerable overseas. We are motivated by the Gospel of Jesus Christ to cherish, preserve and uphold the sacredness and dignity of all human life, foster charity and justice, and embody Catholic social and moral teaching as we act to:

PROMOTE HUMAN DEVELOPMENT

by responding to major emergencies, fighting disease and poverty, and nurturing peaceful and just societies; and, **SERVE CATHOLICS IN THE UNITED STATES**

as they live their faith in solidarity with their brothers and sisters around the world. As part of the universal mission of the Catholic Church, we work with local, national and international Catholic institutions and structures, as well as other organizations, to assist people on the basis of need, not creed, race or nationality.

Catholics across the country are hungering for new ways to live their faith - to encounter and respond to suffering people around the world. These disciples of Christ seek to put into practice the teachings of the Church by breaking through what Pope Francis calls the "globalization of indifference." And they want to inspire their parish communities to act on our faith by caring for people in need.

For 75 years, Catholic Relief Services (CRS) has been providing expertise and compassion to the very poorest of our brothers and sisters in more than 100 countries. Christ King CRS Parish Ambassadors are active parishioners with a passion for global solidarity who help strengthen the parish's outreach ministry by organizing three global discipleship activities per year in our parish. There are substantial resources and support from CRS to assist with these efforts.

If you are interested in learning more about this global initiative please contact Luigi and Sue Schmitt 414-778-0405 or sueigi@hotmail.com.

I sometimes spend more money than I should. I make decisions based upon my wants and not my needs. Those actions can create a financial difficulty or circumstance where more sacrifice is needed. Instant gratification or selfish impulses can create havoc in one's bank account, marriage, or family. All these issues to deal with simply because I wanted what I wanted and I got it. Yes, it sounds like the actions of a child.

However, I know I am not alone. We all can easily find ourselves acting in this manner. This is why it struck me to listen once again to the words of Jesus when he says, "Do to others as you would have them do to you." The words are reminiscent of another of Jesus' phrases, "Love your neighbor as yourself." The problem is that too often I would like for others to fulfill my wants instead of needs, and I can seemingly love myself by doing what I already mentioned above.

A stewardship way of life means that I wisely steward what I have, and I cannot give what I do not have. Have you ever given someone a present you couldn't afford and think that was love? It wasn't. We don't show love by giving what we do not possess. We show love by meeting another's needs and by sharing our very self with them. At our core, what we long for from others more than anything else is love. Would I have others give me lavish gifts and shower me with empty compliments or would I have them give to me something much more valuable: the love in their hearts? In turn, I need to love myself more by realizing that no purchase will offer fulfillment more than the love of God shown to me in Christ Jesus.
