April 8 is Share Sunday. Monies collected go to support the North and Southside Meal Programs. Please be generous in your donations to this worthwhile and ongoing mission.

## Easter Thanks

Thank you to those many who assisted with another spectacular Triduum celebration last week. To Bill Lieven (Christ King), Gail Martin (Saint Bernard) for their outstanding musical leadership, and all music ministers, and the choirs. Thanks to those who assisted with environment and who make our spaces look so nice, to all liturgical ministers who are so generous. To Mary O'Connell at Saint Bernard who arranges nearly all the liturgical details for those celebrations. And above all to Maggie Pernice at Christ King who pulls together amazing feasts in our shared celebrations and those that take place at Christ King. I am so grateful to her.

Please express a quick word of thanks to these staff and volunteers. Liturgy is the most important thing we do as parishes and it can never be given too much attention. Thanks to all who made such dignified celebrations for which we should be very proud.

## Email Account Note and Public Service Announcement

I found out last week there is an email imposter, with an email account that looks like mine, asking for money. This seems to have impacted other people who work for various churches in our Archdiocese for some reason. The perpetrator asks for gift cards for some kind of emergency and the exchange is very convincing. Do not reply to any emails like this; they are fake. And watch the address carefully as it is not from one of my official parish addresses.

As a public service announcement, don't reply to emails that seem to be from your relatives or friends in a crisis situation; this is a common fraud practice that impacts people of all ages, but especially senior citizens, it seems. To verify the situation, always call someone to check if they have truly emailed you asking for help.

See you at Mass,  
Fr. Phillip

Bullying manifests itself in different ways even causing some victims to take their own lives. So, what is bullying? Why is bullying so prevalent? Why is it so destructive? What can be done? Where is there help? Free and open to parents, grandparents, teachers and all interested adults.
