# LIVING THE CALL

## Sharing God's Gifts

### CAPITAL APPEAL

Dear Friends,

Over the last several months, I hope you have had a chance to gain a deeper understanding of the capital appeal, why it's needed, the specific projects, costs and goals we hope to achieve, and the special role you can play in its success.

Included below and on the next page are additional opportunities and materials to help you learn more about areas around campus earmarked for repair and replacement, to pray for your family and parish family during this very special moment in our history, and to prepare for what you will give sacrificially to ensure we have an amazing space that facilitates beautiful worship and effective ministry for generations to come.

Next weekend, October 27 & 28, I will ask you to bring forward your completed pledge cards during all Masses. If you have already pledged with the parish, you can still take part in this very intentional gesture by grabbing a pledge card from the pew or back of church, writing "duplicate" or "already pledged" and bringing it forward with other parishioners. As this is also the time of year we ask for your annual parish stewardship pledge for the new year, both can be made on the same card.

Know of my love and prayers for each of you and my gratitude for the role you will play in this important moment in the life of the Church.

May God bless you,

Fr. Phillip

Visit the website and click on the logo to find full details and additional information on the capital appeal.

## COME & SEE!

**Sunday, October 21, 11:30AM - 1/1:30PM**

- Christ King Parish is spiritually energized but physically wearing out.
- Christ King parishioners have long ensured that Christ King remains a safe and welcoming house of worship, prayer, formation, and service. But after 79 years of faithfully facilitating God's call to mission, Christ King's physical plant needs our help! Most physical improvements included in the Living the Call Appeal are to structures or systems that are over 60 years old.
- Repair or replacement can no longer be deferred.
- All parishioners are invited to tour our campus to see the fixes we need to make.
- Tours begin at either Church entrance.

### THURSDAY HOLY HOUR

**5:30 PM - 6:30 PM IN CHURCH**

Come as often and stay as long as you (and your family) are able during one of our upcoming Thursday evening Holy Hours. This will be a time of quiet personal reflection, prayer, adoration, benediction, and reconciliation seeking God's direction and guidance in your life as well as during this special moment in the life of our parish as you discern, like so many parishioners did a generation ago, what you can give back sacrificially, allowing our amazing spaces to continue facilitating beautiful worship and effective ministry for generations to come.

# GO HIGHER, GO FARTHER!

## “Not Equal Gifts, But Equal Sacrifice”

This is a key theme of our appeal. Some have been given little, so they can share little; some have been given much, so they can share much. But all of us can give like kings if we give sacrificially. As good stewards we attempt to be the very best caretakers of all the gifts that God has entrusted to us.

When determining what would be a sacrificial amount to give toward the future of our parish, seek to do the following:

1. Review the gift chart.
2. Let your eyes rest on the largest three-year gift you think you can make.
3. Now, consider a sacrificial gift. Consider going one level higher from the more comfortable level to the more sacrificial level.
4. Think of the many amazing parishioners in Christ King's history and pray, "Lord, what do you want to do – through me – for my parish?"
5. Let the Holy Spirit lead you to a place that is satisfying and sacrificial.

## What Can I/We Sacrifice?

The only way most of us can go one level higher is to temporarily give something up or postpone a purchase. What \$25-\$30 expense are you willing to sacrifice each week or month to make a stretch gift?

- 1 large pizza
- 1 house cleaning visit
- 4 six packs of specialty beer
- 2 bottles of wine
- 1 month of streaming service
- 1 manicure
- 3 packs of cigarettes
- 1 lawn/driveway service
- 7 shirts dry cleaned
- 1 month of gym membership
- 1 dinner out
- 1 happy hour

**Everyday Stewardship**

This past Father's Day began with my youngest son asking me for money. As the day went by, he continued to ask me for things. It was actually quite humorous as it was supposed to be my day and I hadn't asked him for one thing. It was all about what he wanted. Finally, after his latest request, I responded, "It's Father's Day! What I want from you is a day where you don't ask me for anything." I would have to say that he does not constantly ask me for things all the time and he is a good kid, but this day he did have me reflecting on how much a child asks from a parent.

We ask quite a lot from our Heavenly Father as well. I don't think He begrudges us anything due to all our requests. However, like any human parent would, I think God would love it when He asks something of us that we can respond with a "yes." We like to do all the asking, but too often we are not very responsive when we are being asked. It is an important aspect to reflect on in any relationship. If you seek to receive more than you are willing to give, what kind of lopsided relationship is that? God doesn't want that type of relationship. Any father wants to give his son or daughter anything they ask for within reason, but offering the same back is what a real relationship is all about.
