

## CHRIST KING PARISH ATHLETICS HANDBOOK - 2022

### PHILOSOPHY

It is the primary purpose of the Christ King Athletic Association (Association or CKAA) to provide an extension of the Catholic educational experience to its members. The parish athletic program is designed to provide enjoyable extra-curricular activities for children, teach the fundamentals of sports, and help develop athletic skills. The program strives to develop self-worth, discipline and sound judgment. It also offers the opportunity to foster a sense of sportsmanship, winning with grace and losing with dignity. It provides an opportunity for wholesome, enjoyable use of time by children through sports activities. There are opportunities for parents to become involved in sports programs and set examples for their children.

### ATHLETIC ASSOCIATION

The Association consists of families whose children participate in Christ King athletics and pay the annual fee required for participation in the athletic program. Its primary responsibilities are fundraising and volunteer work for Christ King athletics. All funds raised by the Association shall be incorporated into the Athletic Committee annual budget. From time to time the Association may have meetings, at times and places to be determined by the Athletic Committee, to give the membership information regarding programs offered and player and parent responsibilities, and to give members the opportunity to formally raise issues, ask questions and generally communicate their thoughts and ideas on athletics.

Composition of the Committee. The Association shall be managed by the Christ King Athletic Committee. The voting members of the Committee consist of the Pastor, a Chairperson, Vice Chairperson, Secretary, Treasurer and the Grade and Religious Education Representatives (who will be elected as described below). The non-voting members of the Committee consist of the Coordinators and any other elected/appointed positions. The terms and responsibilities of the Athletic Committee members are set forth herein and on Exhibit 1. Except as provided herein, the voting members of the Athletic Committee will each have one vote in the election of the other members of the Athletic Committee.

(a) Chairperson: The Chairperson is nominated by the voting members of the Athletic Committee and appointed by the Pastor to a 3 year term. The Chairperson will serve as the Pastor's delegate, coordinate the administration of athletics and run committee meetings. The Chairperson is accountable to the Pastor.

(b) Vice Chairperson: The members of the Athletic Committee will seek out an individual who they feel has certain talents required to perform this job. Thereafter, the Vice Chairperson is elected by the voting members of

the Athletic Committee to a 3 year term. The Vice Chairperson acts on behalf of the Chairperson if the Chairperson is unavailable and assumes other duties as assigned by the Chairperson. If necessary, the Vice Chairperson will be elected by the members of the Association. In such event, each family who is a member of the Association and has children in Christ King School will have one vote in the election of the Vice Chairperson (an "Election").

(c) Secretary: The members of the Athletic Committee will seek out an individual who they feel has certain talents required to perform this job. Thereafter, the Secretary is elected by the voting members of the Athletic Committee to a 3 year term. The Secretary records the Committee's minutes and assumes other duties as assigned by the Chairperson. If necessary, the Secretary will be elected by the members of the Association in an Election.

(d) Treasurer: The members of the Athletic Committee will seek out an individual who they feel has certain talents required to perform this job. Thereafter, the Treasurer is elected by the voting members of the Athletic Committee to a 3 year term. The Treasurer works with the Parish Administrator and handles receipts and disbursement of all cash generated from athletics, adheres to Parish policy & budget guidelines, works with the Parish Administrator to prepare/obtain monthly financial reports and coordinates the annual budget process. If necessary, the Treasurer will be elected by the members of the Association in an Election.

(e) Grade Representatives and Religious Education Representative. There will be a Grade Representative for each Christ King School Grade 5 through 8 and for the Religious Education Program. The members of the Athletic Committee will seek out individuals who they feel have certain talents required to perform these jobs. Thereafter, these Representatives will be elected by the voting members of the Athletic Committee, but if more than one person volunteers to be Representative of the same grade or the Religious Education Program, such Representative will be elected by the parents of the grade or program they represent. In such event, each family who is a member of the Association and has children in Christ King School will have one vote in the election of the Representative for such grade in which they have a child, and each family who is a member of the Association and has children in the Religious Education Program will have one vote in the election of the Religious Education Representative.

(f) Coordinators. The members of the Athletic Committee will seek out individuals who they feel have certain talents required to perform these jobs. Thereafter, the Coordinators will be elected by the voting members of the Athletic Committee. The coordinator positions would not have a "term," but it is anticipated that these individuals would hold the position for 3 years (ideally 4 years in the case of the Volleyball, Basketball and

Track Coordinators). Coordinator positions can include, but will not be limited to:

- (i) Equipment Coordinator (inventories, distributes and accounts for equipment and uniforms; recommends purchases);
- (ii) Gym Coordinator (coordinates practice times and gym use);
- (iii) Membership Coordinator (disseminates and assembles registration packets to include sign up forms, physical forms, liability waivers, sportsmanship pledges and family memberships in CKAA);
- (iv) Volunteer Coordinator (coordinates volunteers for gym duty supervision);
- (v) Tournament Coordinator (coordinates the scheduling and running of tournaments at Christ King);
- (vi) Event Coordinator (coordinates events such as, but not limited to, the CKAA golf outing and/or poker tournament);

Terms and Responsibilities of Committee Members. The terms and responsibilities of Athletic Committee Members are set forth herein and on Exhibit 1.

Responsibilities of the Committee. The Athletic Committee shall be responsible for the following areas in connection with the athletic program at Christ King: Policy Formation, Planning, Budget, Evaluation of Programs, and Public Relations. The actions of the Committee will be governed by the Archdiocese's Policies and Regulations for Athletics and by this Handbook.

Committee Meetings. The Athletic Committee shall hold monthly meetings during the course of the school year. Additional meetings shall be held on an as-needed basis. All actions taken by the Committee at its meetings shall be taken by a majority vote. A quorum of 5 is required, unless otherwise specified in this Handbook.

## **ELIGIBILITY**

- a) Only students enrolled in Christ King's Parish School or Parish members actively and satisfactorily participating in the Christ King Religious Education Program may participate in parish athletic programs. Please refer to the School and/or Religious Education Parent Handbooks for participation requirements.
- b) A physical examination is required every two years for every player.
- c) Payment of participation fees is required as established by the Athletic Committee. Requests to waive participation fees due to financial hardship should be directed to the Pastor for review and approval.
- d) Archdiocese rules mandate that "a student-athlete may participate with non- archdiocesan teams in the same sport during the season provided that the student's priority and commitment is with the parish/school team, and the student maintains the eligibility requirements established by the school administration and published in local policy." Christ King athletes are expected to make their Christ King team their first priority.
- e) At the discretion of the Principal of Christ King School, student-athletes who are on academic probation at school may be ineligible to participate in athletics.
- f) A student must be in attendance at his/her school or Religious Education class for the full day in order to be eligible to participate in a competition, scrimmage, or practice. The references above to "Team Sizes" are suggestions, rather than hard and fast guidelines. Accordingly, with input from the Sports Coordinator and/or the Athletic Committee (in whole or in part), a deviation from the suggested Team Sizes could occur if such deviation is in the best interests of the participants and Program(s).

## **TEAM FORMATION**

Participation: All students wishing to participate will be accepted on teams. There will be evaluations in 5th grade for purposes of dividing teams equally. Reassignment of players on equal teams may be made for 6th grade, but only if absolutely necessary to maintain approximately equal caliber of the teams or to correct for numerical imbalance. The Athletic Committee will be responsible for such assignments. There will be player tryouts in 7th and 8th grade for purposes of dividing teams when there are A/B/C teams.

As to all teams at each grade level, at the discretion of the head coach, playing time restrictions shall be uniformly imposed for disciplinary reasons or unexcused absences from practice sessions or games. Excused absences shall have no effect on playing time or team status. Excused absences shall include absences for non-recurring family, school, religious, musical or other similar types of commitments or obligations. Examples include, but are not limited to, funerals, weddings, baptisms and music recitals. Examples of unexcused absences include, but are not limited to, missing practices or games to attend other sporting events or extracurricular activities. If there is a question as to whether an absence is excused or unexcused, the decision of the Chairperson of the Athletic Committee shall be final. Any playing time restrictions will be imposed in accordance with "ENFORCEMENT OF PLAYER RESPONSIBILITIES" (below).

### Selection of Coaches:

- (a) One head coach is required for each team.
- (b) All head coaches must be approved and assigned by the Athletic Committee. Each head coach will pick no more than two assistant

coach(es) with Committee approval. Assistant coaches must be at least 18 years of age and a high school graduate.

(c) All head coaches must be at least 21 years old. In the absence of a head coach at a game or practice, a person at least 21 years old (preferably an assistant coach) must assume responsibility for the team.

(d) The source of coaches is volunteers. Those interested in coaching should contact the Coordinator of the appropriate sport or a member of the Athletic Committee. Parents of student-athletes are preferred.

(e) All coaches must be certified in a process set up by the Archdiocese of Milwaukee and are subject to policies related to background checks handled by the Pastor or Parish Office.

(f) There are no restrictions on the number of teams that a person may coach (head or assistant), from sport to sport or within the same sport.

(g) In no event shall coaches be selected for 7th or 8th grade teams until tryouts have been conducted and teams formed.

Team Size Guidelines: Whenever the minimum player requirement cannot be met, players may be placed on teams at the next highest grade level. Team sizes and the number of teams will be determined under the section entitled "Programs Offered."

Policies for Dividing Teams: The following guidelines will be followed for forming two or more teams at a particular level when necessary:

(a) In the 5th and 6th grades, players will be divided to form equally competitive teams.

(b) In the 7th and 8th grades, selection of players for "A," "B" and/or "C" teams will be made annually at the beginning of each sports season. Player tryouts and past performance will be used as criteria for team assignments. Player selection will be made, in consultation with head coaches from the immediately preceding year ("Past Coaches") (who may wish to provide additional information and observations about the players), by a 3-person panel consisting of the relevant Sport Coordinator, and two knowledgeable independent observers selected by the Athletic Committee or Sports Coordinator. Each member of the panel (but not coaches or Past Coaches) will have a 1/3 vote in deciding player selection. The 3-person panel shall act by majority. When there is not a majority, weight shall be given to the Coordinator's vote. Past Coaches may be invited to attend tryouts for the purpose of observing and providing input to the selection panel. Other than the selection panel,

and invited Past Coaches, only designated members of the Athletic Committee may observe the process.

(c) When "A" teams are being formed, only players who are present at all the player tryout sessions are eligible for "A" team play. Exceptions to the foregoing rule may be made in the case of injury, illness or other excused absences in the sole discretion of the Athletic Committee Chairperson.

(d) A player may quit any time up to two (2) weeks before the first player evaluation session for his/her grade is scheduled to begin. If a player quits any time during the two (2) weeks prior to the first player evaluation, the player's family will forfeit their registration fee. In addition, if the player quits at any time after the beginning of the first player evaluation session for his/her grade, the player's family will forfeit their registration fee and the player and/or his/her family may also be subject to potential sanctions. The Athletic Committee may administer various sanctions against the player and/or his/her family, such as, but not limited to, suspension from future Christ King athletic programs, not allowing the player's parents to coach at Christ King and/or imposing a fine on the player's parents.

(e) The Athletic Committee and Sports Coordinators will determine the placement of all teams into the appropriate leagues and divisions based on grade talent and what it judges to be the best competitive situation for the children.

(f) When dividing players onto equally competitive teams, coaches and others designated by the Athletic Committee will select players by a draft or similar system with alternate selection of one player at a time or as otherwise agreed to by the coaches. Efforts will be made to place members of the same family on the same team if so requested.

## **PLAYING TIME REQUIREMENTS**

It is the intent of the Athletic Committee that every player should play in every game. The following minimum playing time requirements are to be followed in regular season and tournament play and for all players, with the exception of disciplinary cases (which are to be dealt with in accordance with the provision of "ENFORCEMENT OF PLAYER RESPONSIBILITIES" below).

Parents are responsible for finding a replacement if they cannot meet their assigned responsibility. No children under high school age are allowed to help with various programs or events unless supervised by an

adult. The first time a parent fails to meet their scheduled time will result in a fine being assessed. The second time a parent fails to meet their scheduled time within the same sports season will result in a fine being assessed as well as their child's suspension from the next scheduled game.

i) While gym duty isn't required for families of children who register for track, those families will be required to assist at track meets and/or track practices.

### **ENFORCEMENT OF PLAYER RESPONSIBILITIES**

a) Coaches have the primary responsibility for enforcement of player responsibilities and player conduct guidelines. Complaints received by the Sport Coordinator or the Athletic Committee regarding player conduct will be referred to coaches for action. If necessary, the Athletic Committee Chairperson may assist in the enforcement of player responsibilities.

b) Coaches will notify players, their parents and the coordinators of their sports when disciplinary action is taken. Sports Coordinators will notify the Athletic Committee Chairperson of any disciplinary action taken by coaches.

### **ENFORCEMENT OF COACH/PARENT RESPONSIBILITIES**

a) If a coach is ejected from a game, he/she will be suspended. The suspension shall be effective immediately and shall be in effect for the team's next two practices and for one game. The coach will not be allowed to have any contact with his/her team at practices or games during the suspension. Other complaints regarding conduct of parents or coaches will be reviewed by the Sports Coordinator and/or the Athletic Committee.

c) If complaints are deemed valid, the individual will be reminded of his/her responsibilities as listed in this Handbook.

d) If unacceptable conduct continues, a coach will be suspended for one week or a parent/coach will be requested, by the Athletic Committee, not to attend the next game. If a parent/coach refuses to honor this request, his/her child will not play in either that game or the next game.

e) If unacceptable conduct still continues, a coach will be dismissed or a parent/coach will be asked not to attend games for the remainder of the season for that particular sport. If a parent/coach refuses to honor this request, the family will be dropped from the athletic program for the remainder of the season for that particular sport (and the next sport if the unacceptable conduct occurs in the final game of the season). Extreme circumstances will be reviewed and acted on by the Pastor or the Pastor's representative.

f) Children will not be allowed to participate in a sport and will not receive athletic awards unless financial responsibilities from the previous season have been fulfilled; however, waivers are available in the case of financial hardship.

g) Children will not be allowed to participate in a sport unless uniforms from the previous sports season are returned.

## **GRIEVANCE POLICY**

Hopefully, problems that develop with regard to sports programs and participation can be worked out quickly and easily. If problems arise, players and/or parents **MUST** discuss the problem first in detail with the coaches involved. Most problems and misunderstandings can be resolved through discussions among players, parents and coaches. We ask that parents adhere to a strict 24-hour rule, meaning that you refrain from approaching a coach until a 24-hour period has elapsed. Approaching a coach before, during or immediately following a game is not allowed. Approaching a Sport Coordinator before, during or immediately following the player evaluations is also not allowed.

If parents feel their concerns have not been resolved to their satisfaction after meeting with the coach(es), they may contact the appropriate Sport Coordinator with their specific grievance. Grievances must be submitted at the time an apparent problem exists, and not in general terms at some future date. The Sport Coordinator will handle such grievances, with the assistance of the Athletic Committee Chairperson, if necessary.

If a parent has an issue with the sports program and the issue cannot be resolved through discussions with the coach or Sport Coordinator, the parent may address his or her concern to the Athletic Committee in the following manner:

a) Present the issue in written form to the Athletic Committee Chairperson.

b) If necessary, final resolution of the matter will be determined by the Athletic Committee.

## **AWARDS PROGRAM**

### **Dr. Michael Cary Cavalier Award**

One of the primary goals of the Christ King athletic program is to develop good sportsmanship in our players. As a tangible way to show our players the importance of sportsmanship, the Athletic Committee has instituted the Dr. Michael Cary Cavalier Spirit Award. The award is given annually to one 8th grade male and female student athlete (school or religious education). The recipients are selected based upon their demonstration of exceptional dedication to their team, their effort in practices and games and their Christian attitude towards teammates, opponent and coaches.

To be considered for the award, players must be nominated. Coaches, parents, or other participants or observers of the athletic program can make nominations. Players in any of the sports offered at Christ King (volleyball, basketball, track, etc.) are eligible. The nominations will be reviewed and the recipients determined by a subcommittee of the Athletic Committee consisting of the Chairperson, Vice Chairperson, Volleyball, Basketball and Track coordinators, 8th Grade Representative and Religious Education Representative. It is the hope of the Athletic Committee that the Pastor, Principal and 8th grade homeroom and religious education teachers will assist the subcommittee in an advisory capacity.

## **POLICY AND GUIDELINE CHANGES**

All policy and guideline changes will be decided by a recorded, majority vote of the Athletic Committee members and Sports Coordinators present at the meeting. Voting on policy and guideline changes will be advisory and shall be subject to approval by the Pastor. The results of an advisory vote will be communicated to the Pastor by the Chairperson.

## **DISCLAIMER**

From time to time, changes in Archdiocese regulations may occur which will result in revisions to this Handbook. The most updated version of this Handbook can be found on the Christ King Athletics website. If there are differences between statements in this Handbook and the Archdiocese regulations, the Archdiocese regulations will prevail.
