How to use the gift chart:

- Be aware of God's many blessings given to you and your family
- Consider a gift that might be a stretch, a reach, and a sacrifice for you and your family
- Reflect on the amazing parishioners that came before us and provided sacrificial gifts to build our beautiful church and campus
- Pray often "Lord, what do you want to do - through me - for my parish?"
- Let the Holy Spirit guide you to a place where you feel you can make a real difference
