

Elizabeth Ministry

Offering hope, help, and healing on issues related to families and childbearing

Christ King and Saint Bernard's chapter of the Elizabeth Ministry prays for the parish intentions related to life events around childbirth and loss. These issues touch the hearts of all families in some way! We have hope in lifelong healing for individuals.

We pray particularly for:

- Expectant Mothers and Families
- Struggles with Infertility
- Loss through Miscarriage
- Families in the Adoption Process
