

Christ King CATHOLIC PARISH

Fall, 2025

Dear Parishioners and Friends,

This mailing is an invitation to be more informed about what is going on in our thriving parish. The Parish Report highlights the previous fiscal year and looks forward to our future. The School Report showcases our happy, faith-filled students. There is much to be proud of as God has blessed our community with many gifts.

While we celebrate our parish's growth and vibrancy, we must acknowledge challenges with our financial stewardship.

We cannot continue our expansive parish activity with the same level of stewardship participation. If stewardship does not permanently increase, we will experience a significant deficit this financial year and will need to reduce our offerings to stay within budget.

I have been honored to serve this parish for many years and love doing so. Having experienced two fruitful capital appeals and the successful merger of two historic parishes, we stand at another critical moment in our history.

My vision is to not be a parish that holds its breath and defers maintenance, but one that is thriving and proactive to the needs of this community. Now is the opportunity to secure that vision.

To accomplish this, we must come together and deepen our level of stewardship engagement. We have many who are generous, and we are grateful for their gifts. Every gift from every household impacts our parish's future.

Our ask of each parish household is to prayerfully and intentionally reflect on your level of giving and to deepen your engagement with our parish.

If you are not currently giving planned financial stewardship, can you commit to a gift to ensure the lights are on and our bills can be paid, allowing us to grow?

If you are currently giving financially, can you prayerfully review what is possible for you and consider increasing your gift?

Internally, we strive to improve efficiencies so your gifts make a bigger impact. To better manage communication and budgeting, we're launching PushPay Giving, an advanced and easy-to-use digital stewardship platform. PushPay Giving details, support contacts and tech support times after Mass are enclosed. We invite everyone to reach out with any questions.

I feel blessed to call this parish my home and my extended family. Thank you for supporting each other and me through your prayers and sacrifices to the church. Know of my daily prayers for each of you.

See you at Mass,

Fr. Phillip Bogacki
