

**Christ King Parish
Common Meeting Night
Hospitality Committee
September 20, 2017
Minutes**

Attendees: Fran Clemens, Julie Gundersen, Andy Axt, Mike Nelson, Jane Guralski, and Jim Pittelkow

1. New member process

The committee reviewed the welcoming process for new members of the parish. The current process is as follows:

- Submit a new parishioner form online
- Sign up in the parish office and receive welcome packet (tote bag, folder, coffee)
- A few weeks after joining, Pastor calls and welcomes them to the parish
- A few weeks after Pastor phone call, HC committee member calls and welcomes

The goal is continuity of contact with new members. The committee discussed having 2 or 3 committee members attend the quarterly “new parishioner” gatherings to maintain contact with new members. The committee discussed revisiting the idea of hosting new parishioners at existing members’ homes. This needs further discussion.

2. Rideshares for Sunday Liturgy

A guest to the committee suggested that Christ King provide rideshare opportunities for those without access to transportation for mass. The committee needs to discuss further but believes this to be an important avenue to pursue.

3. Fellowship Sundays

The committee will begin forming a list of volunteers for Fellowship Sundays. There was discussion about the potential use of online sign-up for the volunteers.
