Tuition Rates

The cost to educate a child at Christ King Parish School is reflected in our tuition rate of $10,000 per student. Active Parishioners at Christ King receive a discounted tuition rate as they participate in parish stewardship which helps pay for school costs.

Families who are new to Christ King School in 2026-27 can receive the Active Parishioner tuition if they agree or meet the following criteria:

1. Be/Become a registered parishioner of Christ King Catholic Parish by September 1, 2026.
2. Be/Become active in the life of the parish including Sunday Masses and Holy Days of Obligation.
3. Commit to contributing to Christ King Parish financial stewardship via the online giving page during the calendar year of January 1, 2026 through December 31, 2026.

Note: Expectation for new families in the 2026-27 school year is that some contribution is made prior to December 31, 2026. Subsequent years ask that a minimum contribution of $20 per week be considered unless financial hardship is present at which a discussion with the pastor or principal should be held.

Financial Assistance

Christ King believes that Catholic education should be accessible to all families seeking one and has financial assistance for tuition available. Families seeking financial aid must complete a tuition assistance form found online. Notification of assistance is communicated in June 2026. If the dollar amount requested is denied, tuition and registration agreements will be nullified and the family will not be charged any fees or have fees returned.

Tuition Payment

Tuition payments are processed through the Blackbaud Tuition Management System platform. Registration directions for Blackbaud will be emailed to families after receipt of tuition agreement. Families must register in the Blackbaud system prior to **July 1, 2026.** Multiple payment options are available.

Parent Agreement

Parents electing to enroll their children at Christ King Parish School agree to the following:

Signature

By signing below I attest that this is a binding agreement; changing financial conditions will not negate this agreement. Considerations for such circumstances will only be made by renegotiating the agreement with Christ King. The exception to nullify this agreement is if you (the family) requests financial aid and the request is denied. Upon denial this contract can be nullified after discussion with the pastor and no fees will be charged.

I understand that Active Parishioner Tuition Rate is not guaranteed for subsequent years if parish records indicate the family is not eligible per requirements outlined.

Furthermore, I understand that if this financial obligation to Christ King is not met, registration for the following year will not be accepted and student records will not be forwarded until the matter has been resolved. By entering my full name, I attest that this constitutes my legal electronic signature on this form.
