

Proclaim Christ and make disciples through the sacramental life of the Church.

May 20, 2022

Dear Families of Christ King Parish School,

The goal of a Catholic education is freedom: freedom of thought, freedom of expression, and most of all, freedom to love as Jesus loves.

At Christ King Parish School, students learn how to grow toward freedom, how to treasure it as a gift and a responsibility. Just as a toddler has not yet earned the freedom to cross the street independently, Christ King students gradually embrace freedoms proper to their stage in life. One of the chief beauties of our K3-8th grade school is that the youngest learners look forward to the freedoms of the oldest scholars, and the older students take to heart their responsibility to lead by example.

This inseparable bond between freedom and responsibility is reflected in the way Christ King parents support the parish and school.

There are about 1,400 households at Christ King Parish. Fewer than 200 of these families currently have students enrolled in the parish school. Nonetheless, all parishioners of Christ King heavily subsidize the operating costs of our great school. Were we a secular business, our shareholders (who contribute over half the cost of a major expenditure) would demand accountability from beneficiaries. But Christ King is remarkable in the way it respects parents, offering a tuition contract that blends freedom and responsibility.

Responsibility: At a minimum, families pay their tuition on time, volunteer in the parish and school, participate fully in the worship life of the parish, and contribute regularly to the parish (scripture recommends a tithe, 10% of income).

Freedom: Unlike many parishes, Christ King does not require proof of Mass attendance and contributions of time, talent, and treasure. Parish members offer their support with love.

Families who take advantage of subsidized tuition accept the responsibilities and enjoy the freedom it offers. Many Christ King families with very limited resources have discovered the joy of St. Paul's encouragement to the Romans: "love is the fulfillment of the law" (Romans 13:10). When we take our lawful responsibilities seriously as disciples of Jesus, we often find ourselves not burdened by the letter of the law, but free to express our love through service to our children, our parish, and our Savior.

Thank you for committing to our community of discipleship. The Lord is king; let the earth rejoice!
