Our Doors Are Open

A person's greatest gift to his or her parish community is the gift of themselves. To decide how your gifts and talents will bless others, we encourage you to come before God for prayer and discernment. Christ King Church is open for personal prayer and reflection:

Monday-Friday from 6:30 am to 8:30 pm

Saturday from 9:00 am to 5:30 pm

Sunday from 7:30 am to noon.

Please enter the church from Swan Boulevard.

Dear Parishioners:

As we work together to *Grow Jesus' Parish*, our parish ministries, councils, and committees are preparing for an active year of worship, prayer, formation, and service. All Christ King ministries and committees need additional dedicated volunteers to help Christ King Parish call forth disciples equipped to encounter and proclaim Jesus Christ. Your participation in the ministries and committees of Christ King Parish is essential to the wellbeing of our parish community as together we strive to proclaim Christ and make disciples.

God has blessed each of us with many gifts. Some gifts are given to us by God to help us help others. These gifts are the *Charisms of the Holy Spirit*. Your charisms equip you to become an instrument of God's presence, love, and goodness to others. Knowing your charisms—your spiritual gifts given to you to help others—helps you find the most effective and fulfilling way for you to serve the mission of Christ King Parish. An explanation of charisms and suggestions for finding your ministry and service best fit, are included in this booklet.

Please review the list of ministry, committee, and service opportunities included in this *Ministry and Service Guide*. Pray about where and how God is calling and equipping you to serve His Church at Christ King Parish.

After reviewing the *Ministry and Service Guide*, **please complete the enclosed Service Volunteer Form** by checking the ministries and committees in which you would like to participate or serve. **Commitment Weekend for Ministry and Service will be held at the end of September.** We will collect Service Volunteer Forms at all Masses that weekend. A parish representative will follow up with you later this fall.

God has blessed our parish in so many ways and you are a part of His blessing. Thank you for the gifts you give to help Christ King Parish fulfill God's mission for His Church. May God bless you generously for your readiness to share your gifts in service to our Church and community.

Sincerely Yours in Christ,

Father Phillip Bogacki
Pastor

Growing Jesus' Parish: Using My Gifts

Christ King Parish is our spiritual home. As disciples of Jesus Christ we **all** share responsibility for the spiritual and physical wellbeing of Christ King.

Believe it or not, accept it or not, you are called by Jesus to be his disciple and to bring others to discipleship. Disciples are called to proclaim Jesus's saving message, do good, and model Jesus' presence to everyone we meet. Collectively, we are the community of Jesus' disciples working from Christ King Catholic Parish in Wauwatosa, Wisconsin.

Christ King parishioners have many responsibilities. We have the responsibility to keep parish ministries and facilities vibrant and updated. We have the responsibility to ensure that Christ King Parish continues to be an effective beacon of God's presence, goodness, and outreach to the community beyond our walls. And we have the responsibility to pass on the gift of Christ King Parish to future generations with the same faithful and diligent love shown by the founders of Christ King 78 years ago.

How can I help?

God has prepared each of us to be His helping presence to others. At Baptism, God gave you spiritual gifts that enable you to be Jesus' faithful and effective disciple. These gifts are the **Charisms of the Holy Spirit**. A charism is a spiritual gift, a specific ability, given by the Holy Spirit that equips us to be channels of God's help and goodness to others. When we use our charisms we become God's presence and help to others; we make a difference in the lives of others.

Using charisms is personally fulfilling and effective because we actually experience the profound goodness of God working through us. (For St. Paul's message about the spiritual gifts, see 1 Corinthians, chapter 12).

Some of the most common charisms (the spiritual gifts given to us to help us help others), are: *Leadership, Wisdom, Encouragement, Mercy, Hospitality, Teaching, Service, Pastoring, Prophecy, Administration, Helps, Knowledge, Faith, Intercessory Prayer, Giving, Evangelism, Celibacy, Craftsmanship, Missionary, Music, Writing, Healing, Discernment of Spirits.*

No one has every charism but everyone has at least one. We don't choose our charisms, God gives us the charisms we need to become the person He created us to be. Discerning your charisms is a key step to becoming the you God hopes you will become. **To begin the rewarding process of learning your charisms watch the bulletin and web-site for our next *Discerning Charisms Workshop.***

If you haven't yet discerned your charisms, you can begin figuring out what Christ King ministry, organization, or service will best benefit from your gifts by praying to the Holy Spirit and reflecting on the following questions.

What tasks or service do I find most enjoyable and fulfilling?

What tasks seem difficult or tedious to others but easy and rewarding to me?

People tell me I have an ability in what particular area?

I feel God's presence when I . . .

I effectively help others by
