

**Christ King Parish
Stewardship Committee Meeting
September 12, 2018**

Agenda:

- Discuss the upcoming capital appeal (“Living the Call, Sharing God’s Gifts”) and how it will impact our stewardship efforts this year
- Brainstorm ideas on how to promote the annual appeal in the midst of a capital campaign
- Ministry and Service Guide
- General discussion

Stewardship Committee Goals:

Focus on educating and engaging the Christ King community on what it means to be a Total Stewardship Parish.

- Provide opportunities for parishioners to share their talents/gifts with the parish and the community. The Ministry & Service guide is a good starting point. Educate and create awareness of opportunities.
- Assist Fr. Phillip with the annual financial campaign. Educate the parish about the importance of financial giving and publish/communicate the impact of giving via the Annual Report. The Annual Report also provides an opportunity to celebrate the wonderful activities going on in the parish.
